

**Donate to the Library Media Center
through the *Books-as-Gifts* Program**

Books-as-Gifts is a program that is designed to put new books in the Library Media Center. This provides students, teachers and staff with ready access to the most up-to-date literature.

We are offering you the opportunity to send your donations in now, and the Books-as-Gifts program will make sure your donations are recognized at the appropriate times. This way, you do not have to try to remember to send in a donation around the time of your child's birthday or special occasion, Holiday Celebrations, Teacher and Staff Appreciation, End of Year, Graduation... are all great reasons to honor someone with a book!

You can dedicate books in your child's name using the space below.
Some ideas for dedications are:

Happy 10 th Birthday, Sarah!	Abbey, have a great 3 rd grade year!
Michael, good luck in kindergarten!	Congratulations on Graduating KHS
To A Terrific Teacher	Thanks for Being There For Me!

Donors are usually parents, siblings, relatives or friends!

Your dedication will appear on a personalized KHS bookplate inside the cover of each book donated. Your child will be recognized on our "Giving Tree" (in the hallway outside the Library Media Center) and will be the first to borrow that special surprise book chosen by our Library Media Specialist, Mr. John Brakeman

Send in your donations of **\$20 per book!**
Complete the reverse and send to office with **check payable to "KHS PTA."**
Mark Envelope to: PTA for BAG
